Do you think you created the world with your mind???

Well here is what you created:

The number one cause of death in Pregnant Women is MURDER.

Every year thousands of children write to Santa Clause. The most requested thing children ask for is a Father.

Almost a Billion People are Hungry and or Malnourished, yet, 40% of the world’s food production goes to waste and is thrown away.

Tobacco kills over 8 million people a year. And Yet the police, prosecutors and governments let Children smoke and get Addicted.

Sugar drinks are involved in over 10 million deaths a year. Over 30 million USA adults have diabetes and cannot afford healthy foods.

Over a million people a year die from Allopathic Doctor Treatment. Just a small handful from Natural medicine but we are prosecuted.

Almost 4 million people a year die from bad water.

Almost 2 billion people in the world do not have electricity.

Almost 3 million people are still living in slavery. Over 250 million children are forced into hard labor. Over 2 million/yr children die from poverty.

We are running out of fish in our oceans

Almost 13 million tons of plastic enter the oceans each year. There are now two new continents of plastic garbage 3 times bigger than Texas Floating in the Ocean. By 2040 there will be more plastic in the ocean than fish.

Every year 8 thousand USA Children are shot with guns. Worldwide over 400 people a day are shot with guns. When someone has a gun in their home, it is 22 times more likely for that the weapon to be used in a suicide or accidental shooting, rather than defense from invaders.
In the USA over 3 million dogs and cats are killed each year because nobody wants them.

In the modern world, Obesity is now a bigger problem than Hunger worldwide.

The UN reported that it would cost $30 billion to solve world hunger. President Trump’s 2018 military budget is $469 billion.

The air conditioning budget for US soldiers in Afghanistan was $20.2 billion. This is more than NASA’s entire budget.

Big Oil Profits are jeopardizing the future of humanity.

There is truly an Evil Ultra-Rich trying to control the world.

Hearing different opinions make us cling to our old beliefs. People cling to False Beliefs and strongly resist change. Learn to Think Critically.

Do you still think you created the world with your mind???

If you do, then you better take responsibility for this fiasco and do something.

If you do not, then you should still take responsibility to help humanity and your planet in some small way and act with compassion.

Ignoring a truth gives it power.

Silence in the face of Evil, is Evil

Take Responsibility. Dare to Care, Dare to Share.
