Electro-Ceutical Prescription Application

Origin of the Word Pharmacy

The words “pharmacy” and “pharmaceutical” are derived from the Greek word, pharmakeia (strong's G383). This word is found in the Bible in the following passages of scripture.

1. "Now the deeds of the flesh are evident, which are immorality, impurity, sensuality, idolatry, sorcery (pharmakeia), animosity, jealousy, outbursts of anger, dissensions, factions, envyings, drunkenness, carousings, and things like these, of which I forewarn you, just as I have forewarned you, that those who practice such things will not inherit the kingdom of God." - Galatians 5:19-21

2. "and the light of a lamp will not shine in you (the great city Babylon) any longer; and the voice of the bride and bridegroom will not be heard in you any longer; for your merchants were the great men of the earth, because all the nations (pilgrims) were deceived by your sorcery (pharmakeia)." - Revelation 18:23

Ceutical is a suffix meaning refined healing item or therapy

Revelation on Pharmacy

1. "...and they did not repent of their murders or their sorceries..." - Revelation 9:21
2. "...For your merchants were the great men of the earth, for by your sorcery all the nations were deceived..." - Revelation 18:23

"But the...sorcerers...shall have their part in the lake which burns with fire and brimstone, which is the second death." - Revelation 20:10

"Blessed are those who do His commandments...But outside are...sorcerers..." - Revelation 22:14-15

Pharmacy is from the Greek Word for the 'Poison of a Witch'

A Pharmaceutical is from SYNthetic Poison

When you discuss this with skeptical friends, ask them 2 questions **First**: Do they really trust the SINthetic Chemical companies to put people over profit, do you trust that someone does not twist statistics to make money and compromise safety?? and the **Second** Question is --If you went to the restaurant tonite and saw SINthetic Wine, Cheese, Spice, Apple Juice, or Meat , Would you order it?? Most People have now learned to Not Trust SINthetics. Would you let your children order a SINthetic (Totally ManMade) french fry.???

Today people are hypnotized, they are told consciously and unconsciously what to think, say or do. There is direct undisguised outward mind control from education, marketing, entertainment, news services and the media. The powers of Big Money tell us to think with the little head, tell us other races and color are less than the norm. They tell us that different is evil. They can control the masses with ease.

Desiré has come to De-Hypnotize the Masses. To set people free to think, challenge false beliefs, recognize that there is such a rapid change happening in the world today that it takes large effort to keep up with changes. We must be humble and not rigid with false beliefs. Desiré has come to defeat the petty lizard brain and set us free. Desiré has the ability to expose false beliefs with a simple phrase, and then set the people’s minds free from their mind control hypnosis.

Open Letter to the Legislature and Authorities:

Dear Sirs and Madams:

We would like it to be known that we do NOT want to have Unnatural Chemicals or Drugs put into our bodies. We know that a Synthetic Anything is an Insult to the Body and we do NOT want our bodies or our children's bodies insulted.

We believe these Synthetic are SINthetic

Every SINthetic drug causes Side Effects and or Dependencies we do NOT Want

In order to get a Patent, you must Prove that your Chemical is NOT of Nature

The Patent is only given if you Prove your Chemical Drug has never existed before in Nature

Patent SINthetic Drugs are by definition UnNatural, We Do Want SINthetic Foods and we do NOT want SINthetic Drugs

We want as Natural treatment as possible

The Great Experiment of SINthetic Drugs has failed

When just one drug was found excessively harmful, we then knew that Drugs could hurt

When ten drugs were found harmful enough to remove from the market, we knew it was more than possible there was hurt. When a hundred drugs were found possible then we knew it was not just possible but probable. When more than a THOUSAND SINthetic Drugs were found dangerous then we knew the great SINthetic Experiment has FAILED

Now well past 1000 to the tens of thousands, we know all know that SINthetic drugs offer danger

Side Effects, Dependency, Toxicity, Intolerance, Anaphylactic or Iatrogenic Dangers abound

We do NOT want to be given a SINthetic drug unless it is a last, Last, LAST Resort

We want to Fight for Freedom to Choose. We have the Right of Informed Consent and

We DO NOT WANT to be a part of the SINthetic Experiment anymore

The 2015 Nobel Prize in Medicine was given to researchers who found a NATURAL medicine for diseases

We do not believe the Chemical Companies are honest. We believe the Chemical Companies Put Profit over People. Patents are used to make Profit NOT to help Patients.

We want Natural Medicine funded, researched, developed and We want to minimize all risks to ourselves and our children.

We have the right and the freedom to choose, and WE CHOOSE NATURAL.

We would like it to be known that we do NOT want to have Unnatural Chemicals or Drugs put into our bodies unless a last, Last, LAST Resort.

Desiré is the Professor Emeritus of IMUNE. IMUNE is an accredited and legally registered medical university in Europe.

Since 1995 IMUNE has been offering medical education in a variety of subjects to defend and perpetuate Natural Medicine. There are many small minded people being driven by the SiNthetic chemical companies to destroy Natural Medicine as a viable choice in Medicine. IMUNE has offices in Switzerland, Mexico, Dubai, Budapest, England, and the British Virgin Islands. The small petty minded picayune minions of the chemical companies constantly attack with their anal retentive biased short sided views.

We must fight for freedom of choice and especially freedom of choice on medicine.
