Forgiveness is True Strength

I was taught as a child that in times of trouble and turmoil, I could always find strength in the words of the Bible. The times of the past provoked anger and chaos. Now as the smoke clears we must go forth with dignity respecting education, experience and spirituality. It is a time to not concentrate on the mistakes of the past, but to learn from them and see the way forward to the future. I reach for the Bible and find some advice on forgiveness.

(Matthew 5:44) “God commands us to forgive; we must make a conscious choice to forgive. This frees the forgiving one from the past.”

Ephesians 4:32 tells us, "Be kind and compassionate to one another, forgiving each other, just as God forgave you."

Isaiah 43:25 “Genuine forgiveness runs deep. It is not a thin surface patch on a relationship, but an inner change of heart toward the offender. Too often we think we have extended forgiveness when we have only covered over our resentment.”

(Matt 19:22-26) “Holding onto our mistrust is like holding onto our riches. It is impossible for some to let go of, but Jesus reminded us that with God, all things are possible, including this.”

(Matt 6:14-15) “Remember, whatever measure of forgiveness we give, that is the level we will receive.”

We do not have to say who was wrong but we do need to say who was and is right. Ken, Gage, TQA and QWV now we all agree that I have the education, experience and expertise. I have the highest degree of honesty, integrity and dedication to doing it legal and right. My scientific background, medical license, legal experience, research dedication and more show that I am the person to ask questions of in this industry. Ken and Gage have closed the slanderous site of twisted lies and we all encourage people to get answers to their questions on the site dedicated to truth:

On this site we use full due diligence and dedicated persistence to answer your questions and help you. We dig for truth and we stop people from playing lawyer.

Speaking of people playing lawyer we come to the twisted confused heart of Susan McKay. It seems she has written her delusions to everyone in the northern hemisphere. We show her proof that I am not a fugitive, and proof that biofeedback devices are exempt from posted registration, but nothing
can shake her slanderous attacks. I reach for the Bible again and find the number one lesson Jesus spoke above all other lessons, “Judge NOT”

**Matthew 7:1**  
“Do not judge so that you will not be judged”

**Luke 6:37**  
“Do not judge, and you will not be judged. Do not condemn, and you will not be condemned. Forgive, and you will be forgiven.”

**Luke 6:41**  
"Why do you look at the speck of sawdust in your brother's eye and pay no attention to the plank in your own eye?"

**John 8:7**  
When they kept on questioning him, he straightened up and said to them, "Let any one of you who is without sin be the first to throw a stone at her."

**Romans 2:1**  
You, therefore, have no excuse, you who pass judgment on someone else, for at whatever point you judge another, you are condemning yourself, because you who pass judgment do the same things.

**Romans 14:10**  
You, then, why do you judge your brother or sister? Or why do you treat them with contempt? For we will all stand before God's judgment seat.

**Romans 14:13**  
Therefore let us stop passing judgment on one another. Instead, make up your mind not to put any stumbling block or obstacle in the way of a brother or sister.

**1 Corinthians 4:5**  
Therefore judge nothing before the appointed time; wait until the Lord comes. He will bring to light what is hidden in darkness and will expose the motives of the heart. At that time each will receive their praise from God.

**James 4:11**  
Brothers and sisters, do not slander one another. Anyone who speaks against a brother or sister or judges them speaks against the law and judges it. When you judge the law, you are not keeping it, but sitting in judgment on it.
"If all of the SC10/Indigo users were to jump off a bridge, I wouldn't jump with them, I'd be at the bottom to catch them."

So we move into the future and we have learned lessons. Please consider and value education and experience. Do not let people play lawyer who cannot validate education and or experience. Most often these people slandering me are really just trying to justify selling unvalidated unverified technology. WHPRS put a real professional validation comparison.

Let’s move forward forgiving the past, with respect for the people dedicated to the law, validation and professional development of this industry. If you have questions go to:

Forgiveness is the way to heal emotional wounds. Forgive the Sinner and abhor the Sin. Jesus said do not forgive seven times, but seven times seventy.

Write "I forgive ........." seventy times a day for seven days (one week). During this time you will feel the biological change and fully release the bond of the hurt.

This is the key to emotional growth and maturity.
