There used to be protest songs and protest movies. Today the voice of protest is silenced. Desi has led the world in protest songs and movies, but the many messages of social change has stepped on the toes of the ultra-rich. But her fight for a better world and the right to protest goes on.

Psalms 98:4 "Make a joyful Noise unto the LORD, all the Earth: make a LOUD Noise, and Rejoice, and Sing Praise."

“My voice is weapon”

“My Voice is a Weapon for Social Change, If You Get in My Way Your Life Will Be Rearranged”

“There is too much Anger, too much Greed My Voice will soon Help Plant new Seeds”

MTV would not play

New Music Channel for Freedom

When Michael Jackson made the video Billie Jean MTV would not play any video made by a black artist. After extreme protest they broke down. MTV would not play the Queen video of Freddy Mercury in a dress. Freddy would not return to America because of this. The corporate nature of the music business has put pressure on Desi and Brad to make a new Music Channel for freedom of thought in music.

A group of deaf people came to Desi’s club the Angel’s Alibi. They put their hands on the stage and later said that Desi’s voice was so powerful and resonant that for the first time anywhere they could hear a human voice. And they said that is was the voice of an Angel.
Something inside so strong
I know that I can make it
Tho' you're doing me wrong, so wrong
You thought that my pride was gone
Oh no, something inside so strong
Oh oh oh oh oh oh something inside so strong

Here is a major motion picture pardon and expose’ about the problems in the music industry. But being offensive to the Ultra-Rich this big budget movie was never given distribution.

THE STORY OF...

an acronym of Fornication Under Control of the King.

...the Angel who leads a group of wanker losers to become the world’s greatest Rock and Roll Band. A band called FUCK. Well Fuck is not in the Bible as most people think.

It is an acronym of Fornication Under Control of the King. Fuck is a word of protest against an inhuman government authority. A word of emotional release, of way to unburden feelings of frustration. A way for the little man to emancipate himself and throw remonstration in the face of the snooty elite system sucking twits. A way to express some degree of protest. A way to release emotional tension. It is a rejection of Fornication Under Control of the King. We take back our rights, take back some respect, express our indignation. Fuck is not a polite word it is not a religious word, it is an insult to authority.
Another story suppressed by the Ultra-Rich is the true etiology of the word Fuck. Click above to see more.

Healing with humor

It may seem that disease is not funny, but the best indicator of mental health is the ability to laugh at oneself. And laughter really can stimulate immunity, and total well-being. I have written a book with a joke to cure every major type of disease.

Louise L. Hay

I had the pleasure of working with Louise Hay many years ago to help her make her affirmations. I have added much more and I have added these affirmations to my book on humorology, so there is a cosmic joke, mental cause, and affirmation for each major disease. I hope it helps you.
