There are good Super-Rich People who we know, see and love.

There are evil greedy secret Ultra-Rich people, we do not see, who put profit over people and seek to control the masses.
The Evil Ultra-Rich and How to Deal with them

More than 25% of the world trade is from Companies that kill people to make profit. Their massive resources can buy ANYTHING, commit ANY crime, twist any story, divert attention. These corporations are involved in 1 out of every 3 deaths.

My name is Jacob Rothschild

My family is worth trillions of dollars. We own nearly every central bank in the world. We financed wars. We own your media, your oil, and your government. You have probably never heard of me.

The real question is why the media refuses to even mention the name of this incredibly wealthy and powerful family? In this video, it proves nearly the entirety of the US, UK, and Aussie media are controlled by Jewish Zionists. And those Zionists know that if the world knew that one family controlled more wealth than dozens of poor nations put together, their world would be a public outcry.

There will always be an evil shadowy side. Just as there is Yin To Yang, there will be a shadow side to humanity. But we cannot let them assume control.

"For we are opposed around the world by a monolithic and ruthless conspiracy that relies on covert means for expanding its sphere of influence--on infiltration instead of invasion, on subversion instead of elections, on intimidation instead of free choice, on guerrillas by night instead of armies by day. It is a system which has conscripted vast human and material resources into the building of a tightly knit, highly efficient machine that combines military, diplomatic, intelligence, economic, scientific and political operations."

The Evil Ultra-Rich and How to Deal with them

PROOF of the ULTRA RICH CONTROL & mind domination

1. Dec 21, 1913, The United States Congress is duped by bankers and tricked by the Ultra Rich into making a pseudo-governmental but actually privately owned corporation, the Federal Reserve. The Federal Reserve is no more federal than Federal Express. It's owners are secret. It is never audited, reports to no-one, and covertly and firmly control the American government completely.

2. The Ultra Rich control all. They put profits above people and prohibit the FDA from stopping the sale of cigarettes. The Ultra Rich push quick fat making white dextrose sugar over more healthy lowcalorie fruit sugar. They push meat over vegetables, and a disease care system over a health or wellness care. Disease care is a major source of profit. They stop the electric car, push SNIFFD's patent drugs, limit malpractice suits, prosecute dissenters, pollute the waters, destroy the trees, promote stupidity, push a drug culture and slowly stop protesters and speak out free speech. They push addiction to tobacco, sugar and drugs and take away dignity.

3. 1999 - The World Trade Towers fail a fire safety inspection. By 9-11. The Ultra Rich owners of the towers are told that the towers will be condemned sometime in the next ten years. A master plan is designed to use xenophobia and fear to give more control.

4. 2000. - The Ultra Rich owners get a 3.5 billion dollar insurance policy. The Ultra Rich request a double indemnity 7 billion dollar clause if both towers fall in the same day from public transport. This clause is granted because how improbable would it be.

5. Sept 11, 2001. The towers fall under suspicious circumstances. The ULTIMATE PROOF is that the worst crime in history, 9/11 is totally ruled out from investigation. George Bush orders that there CANBE NO investigation of the most outrageous crime of all time.

6. Aug 8, 2007. Five major corporations headed by Rupert Murdoch control all of the media, the newspapers, the Wall street journal, the TV, radio, and movies. Protest movies and new thinkers are weeded out and refused opportunities. The world spins in the stupid side. The Ultra Rich control, twist, distort, and deform what we hear and read about the world. The truth is hidden and the Ultra Rich are never to blame. 8-8 is the anniversary of Hiroshima, a date of infamy for many reasons.

7. Aug 8, 2007. The USA grants itself the power to listen to all conversations worldwide, all bank transactions, and all electronic communications. The world blindly offers no resistance, the Ultra Rich control this power. The media is worshipped.

8. 2000- till now Small petty anal retentive geek minds are employed as paper pushers to control any attempts to challenge the Ultra Rich.

9. 2009- The planners of the crime remain un-cought and un-investigated for almost a decade, wars are made on lies, billions live in fear, millions die. Fear, anger, greed, hate accelerate. Weapon sales soar, oil prices soar, all problems soar beyond comprehension. The financial power drifts from the USA to the MidEast.

10. 2008-2009 The US government spends a trillion dollars of taxpayer money to bail out the Ultra Rich who have mismanaged credit. The Ultra Rich make mistakes and the middle class lose their property and sell it for pennies on the dollar to the Ultra Rich. The Ultra Rich owned Federal Reserve is assuming control of the land and the money while America is being un-privatized and shifting from a land of freeholders to a country of indentured servants. The world watches hopelessly powerless to stop, as the Ultra Rich Federal reserve print more money (from Thin Air) for the Ultra Rich to lend America with interest.

11. There is no proof that there is no lizard alien culture behind this. There is definitely a selfish cruel bantal lizard brain in all of us. So there is a lizard brain behind this conspiracy, and until we have proof that there is no covert alien presence we should proceed that the guns are loaded. We need more information to the people.

12. Today and until we do something to end it--The rich get vastly richer, the poor get poorer. The Ultra Rich control what we see, they control how we think, they listen to our every action, they use petty minds to twist and work against any who oppose them. They treat middle class money when they can and print money at a whim.

4000/day in the USA

Can we predict who will become addicted to cigarettes?
By Victoria Sweeney, PhD
July 24, 2014

Every day in the United States, nearly 4,000 young people under the age of 18 smoke their first cigarette, according to the Centers for Disease Control's Youth and Tobacco Use Fact Sheet. About 1,000 of these kids will go on to become daily smokers, which is the next step on the pathway to becoming addicted to nicotine. Over the course of a year, that is 365,000 new daily smokers. About 40%, or almost 220,000, will still be regular smokers 7 to 9 years later.

Over 25,000 kids/day beneath the age of reason + consent are victims of the crimes of reckless endangerment and or willful neglect. And No One Prosecutes the Offenders who Put these Kids at Risk of addiction, debt, disease and death. No Prosecutor has the guts
**The Evil Ultra-Rich and How to Deal with them**

**Nothing is more DANGEROUS to a Child than Tobacco**

It will cause addiction take 15 to 20 years off of life, (This is called Murder). It will ruin the Teeth, It will make the person spend massive money, Ruin lives and make Slaves to BIG EVIL TOBACCO

**But**

Legal Prosecutors are NOT Allowed to Charge Adults with Reckless Endangerment, Neglect for Allowing underage Kids to Smoke +Become Addicted and Diseased

Could just 100 people save the world from the Evil Ultra-Rich?

What if just 100 people wrote to 100 Prosecutors? If just 100 prosecutros got a letter laughing at them for just how cowardly they are for not trying to oppose the world’s largest killer.

http://indavideo.hu/video/Desi_Auld_Lang_Sang_rememberance_for_dead_from_smoking

What if a group of prosecutors were publically humiliated for just how cowardly they are in defending the Ultra-Rich?

**What if they wrote a letter like this?**

**What if the public could read it?**
Dear Mr Prosecutor:

As I look out my window I see children beneath the age of consent smoking cigarettes. In fact almost every window in the world has seen this event. These children are looking forward to having over $300,000 stolen from their life savings, and over 15 years of their life taken away. If a man jumps from the top of the Empire State Building and on his way down is shot by a man on the 40th floor, the man is guilty of murder even if they deprive a few seconds from someone. And your office overlooks the theft of 15 years. Someone is supposed to be responsible for each child, and there is not much greater danger to be had than letting them get dependent to a deadly extremely addictive substance like tobacco.

If someone has sex with a minor, you as a prosecutor do all that you can to bring them to justice. Hunt them with dogs and helicopters to track down someone who had sex with a lying consenting 15 year old who looked 21. But someone get your child addicted, robbed of massive money in life, and deprived of years of life and your office looks away. And the world wonders WHY???

We know that a child needs to be protected by family and the law until they reach the age of maturity. And yet the person guilty of statutory rape is not taking away a single hour of life, and not taking a thin dime. And your office looks the other way as our children become addicted slaves to Big Tobacco.

The person allowing the child to smoke is taking away 15 years and hundreds of thousands of dollars and your office allows this. In fact your office allows this in a very large quantity. We all know you know what reckless endangerment and willful neglect really is, and we know that you are afraid to confront the power of BIG Tobacco. We would not expect such fear from our prosecutors who should represent the best of law. You should be protecting our children not helping Big Tobacco procure lifetime slaves.

We laugh at you and your unwillingness to stop the killing or even acknowledge the largest killer of people on the planet earth (BIG Tobacco). We laugh with tears in our eyes at your fear and terror of confronting BIG Tobacco. We know that BIG Tobacco depends on children becoming addicted before they learn to think for themselves and before they learn to be able to deny peer pressure. And BIG Tobacco depends on your office looking the other way.

Every child smoking should have some protection from your office. The crimes of reckless endangerment and willful neglect regarding tobacco addiction need your office to address.

We know that ultimately BIG Tobacco needs profit from the millions of smokers and they need a new crop of them each year as the old crop is dying. And we laugh at your office and the hypocrisy your office shows. Profit is not more important than people. Your Ultra-Rich masters are hurting our society. We hope that one day someone will sit in your chair and do the right thing and stop these massive crimes.
Dear Mr. Prosecutor

We know that a child needs to be protected by family and the law until they reach the age of maturity. And your office looks the other way as our children become addicted slaves to Big Tobacco.

We Laugh at your Cowardice
Open Letter to the Legislature and Authorities:
http://indavideo.hu/video/Open_Letter_about_SINthetic_drugs_2nd_version

Dear Sirs and Madams:

We would like it to be known that we do NOT want to have Unnatural Chemicals or Drugs put into our bodies. We know that a Synthetic Anything is an Insult to the Body

And we do NOT want our bodies or our children’s bodies insulted. We believe these Synthetic are SINthetics. Every SINthetic drug causes Side Effects and or Dependencies we do NOT Want

In order to get a Patent, you must Prove that your Chemical is NOT of Nature. The Patent is only given if you Prove your Chemical Drug has never existed before in Nature.

Patent Drugs are by definition UnNatural

We Do Want SINthetic Foods and we do NOT want SINthetic Drugs

We want as Natural treatment as possible

The Great Experiment of SINthetic Drugs has failed. When just one drug was found excessively harmful, we then knew that Drugs could hurt. When ten drugs were found harmful enough to remove from the market, we knew it was more than possible there was hurt. When a hundred drugs were found possible then we knew it was not just possible but probable. When more than a THOUSAND SINthetic Drugs were found dangerous then we knew the great SINthetic Experiment has FAILED

Now well past 1000 to the tens of thousands, we know all know that SINthetic drugs offer danger Side Effects, Dependency, Toxicity, Intolerance, Anaphylactic or iatrogenic Dangers are Manifest

We do NOT want to be given a SINthetic drug unless it is a last, Last, LAST Resort

We want to Fight for Freedom to Choose. We have the Right of Informed Consent and

We do not want to be a part of the SINthetic Experiment anymore

The 2015 Nobel Prize in Medicine was given to researchers who found a NATURAL medicine for diseases

We do not believe the Chemical Companies are honest. We believe the Chemical Companies Put Profit over People

We want Natural Medicine funded, researched, developed and We want to minimize all risks to ourselves and our children

We have the right and the freedom to choose, and WE CHOOSE NATURAL

We would like it to be known that we do NOT want to have Unnatural Chemicals or Drugs put into our bodies.

4 Horsemen of the Apocalypse

The Bible Predicts
Avoid Sugar, Tobacco, Boiled Oil+SINthetic Drugs

4 Industries of Death

We have lost our freedom of speech, lost our rights of Privacy and the Ultra-Rich have stolen our wealth.

They have taken control of the FDA.

Big Tobacco, Big Sugar, Big Pharma are protected by the same agency that was designed to regulate them.

They attack drugless therapies and any who want to discuss Equality. Our society grows Fat, Stupid, Apathetic, and mired in self pity and easily diverted from truth. Money, Wealth and Celebrity are All.

The Environment is slowly destroyed for profit.

The people are just cattle grown stupid and made to feel incomplete so they will want to buy what the Ultra-Rich want them to buy or do what they are told.

Few have the intellect to even see this.

What if they wrote a letter like this?

What if the public could read it?
We have seen thru the world’s largest lie. A Synthetic chemical is NOT the same as its Natural antecedent. In fact it is a Pharmaceutical law that “a Synthetic anything is an INSULT to the Body.” The people making the patents have malevolently led the world to believe that these compounds are safe. Synthetic medicines all have side effects. We do not trust the profiteering chemical companies.

The whole world has learned to not trust the chemical companies. We have learned the hard way not to trust synthetic foods. Only an uninformed fool would order Synthetic Wine or Cheese from a Restaurant Menu. We know the finest quality comes from Natural foods. And now we must accept that the same is true for our medicines. We have the Freedom to believe in nature and to discuss our beliefs.

What is a synthetic? Well by definition you can only get a drug patent if you can prove that your substance has not existed before. Thus by definition a patented medicine is unnatural and synthetic.

If there was just one synthetic medicine removed from the market for being unsafe after first being deemed safe, it would indicate it is slightly possible that a Synthetic could be harmful. If there were ten such removals it would indicate there is more than a slight risk. If there were 100 then a warning should occur. But actually there has been multi-thousands. The list is so long of drugs once thought safe that are now hurting people, that it questions the acceptance approval process altogether. The excess damages, side effects and harms of SINthetics means it is not just possible but actually probable and very likely that a synthetic chemical will hurt you. The leading cause of accidental death is now from these synthetic drugs as it has moved past car accidents on the death list. We have decided to call them SINthetics. It is a ruse and very unwise to assume they are safe.

The 2015 Nobel Prize in Medicine was given to a researcher who found a natural medicine to help one of the biggest problems malaria. All of medicine should not be SINthetics and patented medicines. So it is possible to find other natural medicines as well. Millions exist and with scientific evidence. Natural Medicine is a very viable scientific field and needs more respect.

We do not want to be forced to take these SINthetics. We want to preserve our freedom of choice to try natural medicines. We do not want our doctors to continue to be pill pushers for evil profit over people Big Pharma. The FDA has become the protector of Big Pharm not the protector of the people.

The FDA has maliciously and inappropriately done many witch hunts on Natural Medicine doctors. Ideas of natural medicine are squelched by Big Pharma minions. The evidence against SINthetics is extreme. And we deserve the right to choose other more natural methods and to have these methods investigated and taught to our doctors.

Please fight for our rights to resist the lies of Big Pharma about SINthetic medications.

The Nobel Prize in medicine has been awarded for Natural Cures against Malaria and Roundworms

They have saved of millions of lives. (Reuters/Brian Snyder/Kyodo)

WRITTEN BY Akshat Rathi October 05, 2015

The 2015 Nobel Prize in medicine has been awarded to three scientists from China, Ireland, and Japan. One half of the prize is shared by William Campbell of Drew University and Satoshi Ōmura of Kitasato University for their work on “a novel therapy against infections caused by roundworm parasites.” The other half goes to Youyou Tu of the China Academy of Traditional Chinese Medicine for her discovery of “a novel therapy against malaria.”

Natural Medicine is The Way

They Resisted the BIG Money of a Patent
The Evil Ultra-Rich and How to Deal with them

Two of the major problems of our world today are

1. Excess green house gases (like Carbon Dioxide, Methane, and Synthetic compounds) the deep ground Petroleum makes excess pollution, and a lack of good available oxygen. Cows and farm animals take in Oxygen and produce excess Methane and Carbon Dioxide.

2. Bad diet and life style of excess meat, synthetics foods and medicines, dextrose sugar, cooked oil trans fatty acids, lack of vegetables, tobacco, stress, lack of exercise and lack of good air (as the oxygen level decreases) all producing excess degenerative disease.

These problems have a simple quick solution from the Angel. The switch to increase plants and thus a more farming society and economy is the answer. Plants take in Carbon Dioxide and give off oxygen. Eating more vegetables drastically reduces degenerative disease. We can easily now use bio fuels and bio mass to produce a much cleaner gasoline from plants.

This would quickly solve many problems, But this would effect the greed of Big Sugar, Big Oil, Big Pharmaceuticals, and others. Greed and delusion of false beliefs stop us from Healing the Planet and Ourselves.

THE ANGEL MUST TEMPT THE SMALL PETTY GREEDY MINDS TO RELEASE THEIR FALSE BELIEFS. RELEASE THEIR AVARICE, RELEASE THEIR ANGER. EAT OF THE FRUIT OF KNOWLEDGE AND SEE THAT WE ALL SHARE AIR

THE ANGEL CAN LEAD US TO RETURN TO THE GARDEN OF EDEN FOR A THOUSAND YEARS

PEOPLE COMPLAIN ABOUT CHANGING FOOD INTAKE BECAUSE OF ADDICTION AND HABIT. BAD FOODS CAN BE ADDICTIVE. WHEN PEOPLE ARE GIVEN MORE HEALTHY DIETS THEY COMPLAIN AT FIRST. THEN THEY START TO ACCLIMATE, THEN THEY LIKE BEING MORE HEALTHY AND HAVING MORE ENERGY. THEN THEY CANNOT IMAGINE EATING THE OLD UNHEALTHY FOODS AND FINALLY THEY DISLIKE THE OLD UNHEALTHY SLOW POISON FOODS.

YOU JUST NEED TO START EATING HEALTHY FOR YOUR HEALTH AND THE HEALTH OF THE PLANET.

BREAK THE ADDICTION TO SLOW POISON FOODS.
Problem
The World’s Problem is too much Carbon Dioxide + too little Oxygen.

Solution
The Solution is Plants
According to Quantum Electro-Dynamics, plants take CO₂ and convert it to O₂. We must encourage every land and all plants, stop wasting good farm land anywhere; use our deserts to develop large desalination sites that use the sun to desalinate sea water and use the water to grow plants HYDROPONICALLY.

In the Garden of Eden the Serpent tempted the woman and the man. They gained knowledge, but lost innocence.

Mankind has developed many false beliefs based on the promise of this knowledge. These false beliefs have jeopardized the planet. False beliefs such as synthetic drugs and foods, that petroleum should be our fuel, allopathic medicine, tobacco, dextrose sugar, meat as a staple food, unequal education to keep minorities down, the survival of the fittest, and that the media is real and unbiased. In fact these false beliefs make money and greed become uncontrollable. Money is a drug.

Now at the time of change, an Angel of both sexes will tempt the serpent. The serpent is the base lizard brain in all humans. This lizard brain is the source of anger, hate, aggression, greed, and the delusion and clinging to false beliefs that make money but threaten the very existence of human life on this planet. The Angel will defeat the greed and delusion of the lizard brain and lead humanity to a thousand years of peace harmony, freedom from excess degenerative disease, excess greed, discrimination, and inequality.

The Angel will return us to the Garden of Eden.

1. We must stop the over consumption of meat and switch to the more healthy fruits and vegetables. Wake up people’s minds.
2. Switch from fossil fuel to Bio-fuels and Bio-mass fuels.
3. Limit petro-synthetic chemical production and use organic chemicals from plants such as sugar or herbs.
4. Use dextrose sugar for Batteries, and fructose sugar for foods.
5. Use more Natural Medicine by changing the law to not just protect Patents but to protect Natural Recipes and Natural Made Medicines.
6. Stop the Danger of GMOs to destroy the balance

Switch to a High Tech Agro-Society for energy, medicines, supplies and food

It is obvious to us that the solution to our “Global Warming” problem and to “Clean Up” our air and environment is to switch from DRILLING our oil to GROWING our oil. The antiquated malevolent drilling process takes in valuable Oxygen and releases more toxic CO2 into the atmosphere. This is putting our planet into extreme jeopardy.

Growing our Oil uses plants that take in CO2 and make Oxygen. The grown plant oil is cleaner, helps the environment and is much less expensive. Let’s see, we all know it is cleaner, cheaper, safer, less toxic, destroys CO2 and makes life giving Oxygen.

It is available right now to be used as Bio-mass, Bio-oil, algae oil and others for diesel cars everywhere. Bio-energy also saves the small farmer and gives him a new crop and a new way to make money. Helping the endangered farmer alone will dramatically help protect and preserve our society. Changing to a High Tech Agro-Society has many incredible ways to help and even save our society.

Then why do we not switch or even really start switching to a High Tech Agro-Society for our energy, medicines, and foods. The answer is that the Evil Ultra-Rich do not want us to. They control so much of our world and they have heavily invested in the drilling and refining of the expensive, dirty, polluting, CO2 producing drilling for oil. They need time to buy up more of the small farms. They need to sell the refineries to dim-witted investors. They want to make patents on bio-energy seeds. In other words until they can take control of the trillion dollar bio-energy complex they do not want others to get involved.

Well we see thru the Evil Ultra Rich malevolent plans. We need to save our planet, save our air, save our children, save our farmers and save money now. We are tired of excuses, diversion, distractions, and out and out lies. It is time we stop trying to make profit for the rich and start saving the planet.

The World News Media Had to pick a Name for the Idiots who were Killing Innocent People in the name of a Cause.

People who Shared their Cause called them Heros, but that was not True or Valid.

Actually these Dim-Wits Hide their faces in Cowardice and they Disgrace everything they believe in. They Disgrace their Families, their Country, They Disgrace their Religion.

To Sell Papers, To Make Profit, the Media Stupidly Decided to call them 'Terrorists' Terrorism.

If the Media Press would have Called them 'Disgraceful Cowards' it would have ended the killing. Who would want to be called a 'Disgaceful Coward'?? The Greed of the Press has killed People.

Our Awareness can bring Reflection, our Reflection can perhaps prevent negative thoughts before they become actions. Thus we can make our planet a bit better and a more positive place to be.

The Ultra-Rich control the Media and they prevent stories that interfere with their profits. If any of you watch TV in America you will quickly see just how much the SINthetic drugs dominate the advertising scene. If someone threatens the SINthetic Drug cartel it would threaten profit dramatically. Well what if the whole idea behind SINthetic Drugs is wrong. No one would order SINthetic foods. Everyone knows not to trust the SINthetic chemical companies. People want natural foods not chemicals. What if people had a choice between natural vs SINthetic medicines? What if the simple factual message ‘A SINthetic anything is an Insult to the Body’, was allowed to be told to the people??? This would interfere with profit.

When Desire’ wrote the scientific book proving SINthetic insult, she became silenced.

Anything SINTthetic is an INSULT to our Bodies

Here is the simple condensed, essence of what we need to know, we need to stop insulting our bodies on every visit to the doctor just to make profits from their patents, doctors need to be taught reverence for nature, and the first and second interventions should be life style and natural as possible, then if these fail the third line of intervention should be SINTthetic, because there is a time for all things under heaven, even for SINThetics, but they should not be our first line of defense

Does the One Rich Guy own everything?

By TOM TOMORROW

Over the years, income inequality continued to rise... until finally, one rich guy owned as much as the rest of the planet combined.

With so much wealth in one guy’s hands, everyone else had to tighten their belts and make do with a little less.

I remember when we had schools and police and fire departments! Why there were street lights out in front of your house at night!

What’s a “house”?

Occasionally someone made a mildly critical remark about the one rich guy:

--Standing: He sure owns a lot of the planet’s resources!

How dare they! This is worse than Hitler, Stalin and Vlad the Impaler combined!

Track this person down and have them killed.

Yes Sir.

Eventually, Americans grew angry at the sheer injustice of it all and rose up in revolution-- nah, just kidding.

I’m not the one rich guy now-- but maybe someday I will be! And I sure don’t want to have to pay high taxes then!

Besides, capitalism will always have winners and losers.

Well, a winner.

Right.

And the one rich guy lived happily ever after!

Desire' Dubounet Gets Nominated for the Nobel Prize in Economics for this Movie
Dramatization of the true story of how Prof. Nelson broke up a worldwide pedophile gang involving Mark Dutroux. Shot in over twenty countries, this is an exciting but disturbing expose.

In 1996 an international pedophile gang attempted to kill Bill Nelson when he tried to stop them.

Bill, with help of a French policeman was able to disrupt this gang involving Mark Dutroux.

Over 25 witnesses including the policeman were killed in a cover up of the gang. Bill made three movies of the events around this problem. Someone must protect the children.
